EMERSON VILLAGE COMMUNITY LIAISON FAHEY PLANS FOR SEPTEMBER 24TH FAIRE ON THE SQUARE

WATERTOWN, MA – Emerson Village Community Liaison Jim Fahey, retired attorney and long-time Watertown resident, will represent the local skilled nursing facility at the upcoming Faire on the Square on Saturday, September 24 from 10 am to 4 pm at Watertown Square.

“This is a great way for us to get involved and let people know that Emerson Village is the only skilled nursing facility in Watertown, offering both short-term rehab and long-term care,” said Fahey. He and Assistant Director of Nurses Angela Chase will host a booth at the event, where visitors will be entitled to receive free blood pressure screenings and get their basic health care questions answered.

Since taking on the role of Community Liaison in June of this year, Fahey has been reaching out to the Watertown community on behalf of Emerson Village and spreading the word about the high quality health care services and valuable resources they offer.

“As a retired attorney and former Middlesex County Treasurer and Watertown Town Clerk, I’ve had more than 30 years of experience within the community,” Fahey noted. “I’m familiar with the needs of the people who live here. Emerson Village is an obvious choice if you live near Watertown. It’s convenient, and it provides much more beyond long-term nursing care,” he added.

Besides being wowed by the facility’s recently renovated, state-of-the-art short-term rehab unit, Fahey has personal reasons for serving in his role as Liaison. “I had a close friend who spent time recovering at Emerson Village following a life threatening injury, and the quality of care he received was wonderful. The people who work at Emerson Village are the important difference, from the Administrators to Admissions and the Nursing leadership. Everyone is so dedicated,” he said.

Fahey sees his position as yet another way to continue providing a service to his neighbors. “Helping others really gives you a sense of feeling good about what you do,” explained Fahey. “In this role, I am able to remind everyone that Emerson Village is here for them when and if the need should arise, and I am happy to put them in touch with the right contact person for more information.”
